

0% Alcohol Wine Spritzers

by Benjamin Bridge | Gaspereau Valley, Nova Scotia

The Piquette wine style originated centuries ago with vineyard workers and farmhands seeking a refreshing option after a day's work and has enjoyed a recent revival connecting genuine artisan practices with sustainability and affordability.

Our Piquette Zero wine spritzers are delicately infused with delightful, natural ingredients, enhancing their flavour profiles. Fun-loving yet elegant, our sugar-free 0.0% alternatives have been created with everyone in mind. Not identical to wine, this new sensory experience is to be discovered for its own unique deliciousness.

About Benjamin Bridge

Benjamin Bridge is Canada's most acclaimed sparkling wine house, building an international reputation for the Nova Scotia wine industry. Located in the heart of the picturesque Gaspereau Valley, we have produced top-tier wines in rural Nova Scotia for 25 years.
