

MAPLE FLAVOURED CANDY

Our products are free from artificial flavourings and colours and made using Canadian Grade A maple syrup and pure juices sourced from New Brunswick. Our Maple Flavoured Candy products boast unique flavours wrapped in enticing packages for that quintessential Canadian feel.

Our distinctive products are extremely pure and have a delicious yet natural taste. We have a unique process that ensures we can keep the goodness of our ingredients intact.

We manufacture hard candies in four flavours, and lollipops in three flavours. All shaped as maple leaves or moose heads to capture the Canadian iconography.

Products are best stored under a temperature between 18 and 23 degrees Celsius, in a location with humidity of less than 50% and away from sunlight. Under such storage conditions, the shelf life of the product is 24 months.
