SIMPLIFYING GREAT MEALS
WITH TASTY SPICE BLENDS

Axe to Grind Foods uses carefully curated ingredients ensuring that each recipe is infused with freshness and flavour. We work with our trusted suppliers to deliver clean natural ingredients. All of our blends are low or no sodium, with no fillers or additives.

- Sustainable packaging - MADE IN CANADA
- Blended and packed by The Flower Cart Group, a social enterprise (federally inspected CFIA co-packer) employing folks with barriers to employment.
- A portion of the sales goes to support Canada's National Double Bit Axe Throwing Team.
